REFINED DESIGN BY MASTERS OF THEIR CRAFT

GIORGIO ARMANI

Legendary designer Giorgio Armani brings his incomparable taste and finesse to every aspect of the interiors. Richly textured materials are balanced with understated colors and subtle lighting to create an ambience of timeless sophistication. The impression is at once modern and elegant yet truly relaxed.

CÉSAR PELLI

Internationally renowned for design that elevates the experience of nature, the architectural firm of Pelli Clarke Pelli has created a tower of glass and intimate bungalows inspired by the Atlantic Ocean and pristine beaches that they overlook. Every detail of the architecture enhances breathtaking views and the sensation of abundant space.

“THE DESIRE
TO REACH
FOR THE SKY
RUNS VERY
DEEP IN OUR
HUMAN PSYCHE.”

- *CÉSAR PELLI*

Pelli Clarke Pelli's contemporary glass tower appears at one with the crystal clear water of the Atlantic Ocean. Transparent terraces let you step into a dream like space suspended between earth and sky. Along the oceanfront, duplex bungalows with dramatic glass window walls and intimate private outdoor spaces open directly to pristine beaches.

“ELEGANCE
IS NOT ABOUT
BEING NOTICED,
IT’S ABOUT BEING
REMEMBERED.”

- *GIORGIO ARMANI*

INTERIOR DESIGN BY ARMANI/CASA

Giorgio Armani brings his legendary sensibility and talent for understated elegance to interior design. Rich textiles, a palette of softly dramatic tones, and sensual textures create an atmosphere of refined elegance throughout the lobby. Ambient lighting and artfully arranged furnishings offer a relaxing ambience for conversation.

CÉSAR PELLI

The work of Pelli Clarke Pelli has been internationally recognized with hundreds of awards for design excellence, including over 40 design awards from national, regional, and local chapters of the American Institute of Architects (AIA). In 2004, the firm was given the Aga Khan Award for Architecture for the Petronas Towers. In 1995, the AIA awarded César Pelli the Gold Medal, which recognizes a lifetime of distinguished achievement and outstanding contributions. In 1991, Pelli was selected as one of the 10 most influential living American architects. In 1989, Pelli Clarke Pelli was the recipient of the AIA's Firm Award.

DEZER DEVELOPMENT

Dezer Development was founded in 1970 by real estate visionary Michael Dezer. In 1999, together with his son, Gil Dezer, President of Dezer Development, the company expanded outside of Manhattan to encompass unique and strategic holdings in New York, Florida, and Las Vegas. In 1985, the Dezers acquired their first oceanfront hotel properties and in 1996 began to focus on Sunny Isles Beach. The renowned father and son team are credited as major players in the rebirth of the area, having developed eight luxury high-rise residential and condo-hotel developments through unique partnerships with marquee lifestyle brands.

Today, with just over 27 oceanfront acres owned or developed in Florida, Dezer Development has arguably one of the largest holdings of beachfront property in the state. Most of this property is earmarked for redevelopment as mid- and high-rise luxury condominiums, condo-hotels, resorts, and rental communities. In addition to these properties, the Dezers have significant holdings in New York. Their portfolio encompasses more than 20 properties with over 1 million square feet. Dezer Development's branded real estate portfolio includes six Trump-branded towers, the Porsche Design Tower, and Residences by Armani/Casa. Generating an unprecedented response from a broad range of local, national, and international buyers, the prolific developer has successfully sold over 2,700 units and generated over \$3.6 billion in sales.

THE RELATED GROUP

Jorge M. Pérez is the founder, Chairman, and CEO of The Related Group, the nation's leading developer of multifamily residences. In August 2005, Time magazine named Pérez one of the top 25 most influential Hispanic people in the United States.

Under his direction, The Related Group and its affiliates have redefined the South Florida landscape. Since its inception more than a quarter of a century ago, the firm has developed and/or managed more than 80,000 apartments and condominium residences. The Related Group is one of the largest Hispanic-owned businesses in the United States. In 2006, the company reported sales of more than \$1.4 billion. Its current portfolio represents assets under development of more than \$10.7 billion. Its premier portfolio of properties in South Florida includes One Ocean and Marea South of Fifth in South Beach and SLS Hotel & Residences in Brickell.

SIEGER SUAREZ

The Sieger Suarez architectural partnership celebrated its 40th anniversary in 2012 as the premiere firm specializing in the diversified field of luxury high-rise residential design and development. Owned and managed by Charles M. Sieger and Jose J. Suarez, the firm has received a multitude of awards and both peer and community recognition for its outstanding work. Sieger Suarez is considered to be one of the most innovative, design-forward, comprehensive, one-stop architectural firms in the Southeast United States. Since its inception, the firm has designed in excess of \$10 billion of residential properties.

Distinctive buildings designed by Sieger Suarez in Miami-Dade County alone include Pinnacle, Ocean I, II, III, IV, and Hidden Bay in Sunny Isles Beach, and Murano, Murano Grande, and Portofino Tower in South Beach. Hotels designed include Trump International Sonesta Beach Resort in Sunny Isles and St. Regis Bal Harbour. High-rises include Trump Royale and Trump Palace in Sunny Isles, ICON South Beach and Apogee in South Beach, Las Olas Riverhouse in Fort Lauderdale, The Beach Club in Hallandale, 50 Biscayne in downtown Miami, and Cabana, 6000 Indian Creek, and Terra Beachside Villas in Miami Beach.

ENZO ENEA

Enzo Enea's firm, Enea GmbH, is one of the leading landscape architecture firms in the world. The firm is widely recognized for the design and construction of private gardens and terraces, restaurants, hotel and resort environments, corporate gardens, public parks, and golf courses. Enea began as an industrial designer but quickly turned to the study of landscape architecture in London. Upon receiving his degree, he traveled extensively then returned to Switzerland where he transformed his father's garden decoration business into the first class company Enea GmbH is today.

The strength and philosophy of Enea GmbH is in the overall execution of challenging projects, which range from the planning and construction phase to the provision of irrigation systems, garden furniture, and lighting design and installation. Enea has received numerous gold and silver awards at the Giardina show in Basel and Zurich and the gold award of the renowned Chelsea Flower Show in London in 1998. Over the course of his career, Enea has designed more than 800 gardens. His style, intuition, and diligence explain the success story of his company. His creations are comprehensively documented in the book "Enea: Private Gardens."
