

TO DRIVE A PAGANI IS
TO FEEL THE THRILL OF
FLIGHT, TO BE ENGULFED
IN EVERY TWIST AND
TURN, SURGE OF WIND,
EACH JOYFUL SHIFT AND
BOUNDLESS ASCENT.

BEAUTY, FORM,
SCULPTURE, AND
BALANCE, AT HOME.

AN ELEVATED LIFESTYLE,
QUINTESSENTIALLY PAGANI

ARTIST'S CONCEPTUAL RENDERING

PROJECT OVERVIEW

INTRODUCING THE FIRST-EVER PAGANI RESIDENCES

Grounded in a flawless balance of art and science, function and beauty—crafted beyond perfection, tuned in harmony with every custom detail. Pagani Residences is the first residential project in the world to be meticulously curated by Pagani Arte.

In collaboration with Pagani Arte, the residences reflect a rare level of exclusivity, individuality, and unending beauty. To live Pagani is to experience the rush of the ride every time you come home. All-consuming anticipation. Staggering exhilaration. The wildest expectations, exceeded. Nothing reveals your true self more than your home, as it reflects who you are, what you think, how you live.

The furnishings you choose to populate the spaces you live in are not just the expression of your aesthetic preference; they convey your idea of a well-defined lifestyle that embodies exclusivity, refined taste, and sophisticated craftsmanship.

“To deliver the Pagani experience means having the humility and empathy to hear people’s individual desires, and to express them through meticulously curated detail.”

- HORACIO PAGANI

THE BUILDING

Beauty. Excellence. Uniqueness.

- The first-ever Pagani Residences, an unprecedented extension of the Pagani experience
- 28 stories with sweeping waterfront views on the rooftop

THE TEAM

A Revolutionary Collaboration

A visionary team carefully curated for the close-knit global community with the world’s highest standards.

Lifestyle Brand: Pagani

Pagani is more than an automaker; it is a lifestyle. Founded in 1992 by Argentine-Italian visionary Horacio Pagani, inspired by the relentless pursuit of automotive excellence, Pagani carries the spirit of forward motion into every aspect of its brand. Headquartered in Italy near the heart of the country’s legendary “Motor Valley,” Pagani embodies the region’s rich heritage of high-performance design and undivided attention to detail. Pagani’s commitment to carbon fiber craftsmanship and integration of the newest technology translates to breathtakingly beautiful, highly optimized vehicles—reflecting the advanced fusion of art and science that remains a core principle of the Pagani brand.

Developer: Riviera Horizons

Riviera Horizons is a multi-faceted developer and real estate firm dedicated to curating exceptional living and investment opportunities for discerning global clients. Led by founder and CEO Mikael Hamaoui, Riviera Horizons develops spaces that cultivate connections and foster communities where individuals thrive. The firm remains committed to bringing each client’s aspirations to life across luxury residential condominiums, high-profile commercial ventures, and more.

Lifestyle Brand: Pagani Arte

Pagani Arte originates from the creative need to expand the Pagani experience from the automotive world into new horizons in interior design, embracing a multitude of fields, from furniture to aviation to advanced engineering and design projects. Its bespoke creations strive to achieve the perfect balance between functionality, aesthetics, craftsmanship, and technical innovation. The company’s philosophy is rooted in the ideal of Leonardo da Vinci, who stated that Art and Science are two disciplines that can walk hand in hand.

Architecture: Revuelta Architecture International

Revuelta Architecture International, led by AIA and Principal Luis O. Revuelta, is a full-service architecture and planning firm that oversees the design and coordination of among the most significant mixed-use and urban developments in the area. The Revuelta philosophy is built upon three pillars: steadfast commitment to design quality and balance, attention to detail, and punctual, on-budget delivery. These tenets, along with an industry-leading team of designers, architects, engineers, artists, and builders, remain the cornerstone of Revuelta Architecture International’s growth and success.

Interior Design: A++

A++ human sustainable architecture is the internationally recognised studio through which A++ GROUP communicates its work. The A++ philosophy: WE ARE HUMAN. Our mission: HUMAN SUSTAINABLE ARCHITECTURE. We are committed to the design of our living spaces as a meaningful representation of our individuality: how we live is a sign of how we think, feel, and imagine the world. By relating design to these individual points of view, A++ considers not only style, taste and curation, but also the deeply personal connection to the space, community, and natural environment.

Landscape Architect: L&ND

L&ND is a full-service environmental planning, landscape architecture, exterior living, and design practice focused on creating bespoke outdoor environments for boutique hotels, private residences, luxury resorts and condominiums, mixed-use and commercial projects, and more. We evaluate each piece of land through a dedicated process of deep analysis and study that considers the environmental, geographic, cultural, social, historic, and economic factors unique to each project and client. We are dedicated to working in the most challenging and interesting environments, at any scale, across the world, and continue to evolve our globally recognized portfolio of award-winning design solutions. The firm’s association with top local and national developers has resulted in the successful evolution of functionally sound and aesthetically significant projects in South Florida and beyond.

Project Management: Fortis Design + Build

Fortis Design + Build, led by Principals David Polinsky and Andrew Lenahan, is a vertically integrated development firm creating award-winning mixed-use projects within the urban core. We provide pre-construction development services, construction management, general contracting, design-build consultation services, and private equity options. By combining extensive in-house expertise across design, development, and construction, we enable innovative, cost-effective architectural and programming solutions, with a focus on thoughtful design, cultural context, individual creativity, and community enrichment.
